

Friday 27th – Sunday 29th June 2008

**“The largest and most spectacular yacht race of it’s kind in the world”
Island Sailing Club**

First raced in 1931, the magnificent spectacle of nearly 1800 yachts heading towards the Needles and racing around the Isle of Wight is unforgettable.

The race offers an ideal opportunity for corporate hospitality. A high profile event, that allows excellent visibility of your brand to both your clients and your fellow competitors.

Experience a truly unique event racing amongst high performance yachts.

Round the Island Package

Ondeck offer a fully inclusive 3 day event onboard our magnificent 65ft ocean racing yachts starting and finishing at Gunwharf Quays in Portsmouth. These yachts are user friendly for novices yet challenging to the more experienced sailor, expertly run by our professional crew.

A full day’s training on Friday 27th June is included to make the racing more enjoyable and so that all the crew will be ready for action on Saturday. We moor up at Cowes Yacht Haven that evening to enjoy supper onboard and take in the atmosphere of Cowes (we also moor up in Cowes after the race so your crew can relax, have dinner and join in with the partying!).

On the Sunday we take a leisurely sail back to Gunwharf Quays to arrive at approximately 13.00hrs
