How to find us:

Airports

With budget airlines such as Easy Jet introducing flights into Portugal on a regular basis, it is now easier than ever to obtain a bargain flight.

You will need to fly into Faro Airport – direct flights are available from the UK (Southampton, Manchester, Gatwick, Stansted, Cork...) and here is a selection:

- Easyjet
- Ryanair
- Monarch
- Air Lingus
- Thomsonfly
- Flybe
- British Airways

Another option is to visit www.expedia.co.uk or www.opodo.co.uk and do an extensive search over several airlines.

Airport Transfers to the Marina

The easiest way to get from Faro Airport to Vilamoura Marina is by taxi/airport transfer. Booking an airport transfer is the cheapest way to go and this can be done on sites such as www.low-cost-transfers.com – you can expect to pay around 30 euro on this site, others may be more. We have found this contact to be reasonably priced steve@email.com or tel (international) +351 912 765 275. Taxis are generally a little more expensive but can be picked up from right outside Faro Airport.

By Road

- From Faro Airport, leave the airport car park and follow the signs for Portimao Main En125 Road.
- After about 4km, follow the sign to Tp1 Via Do Infante, in the direction of Portimao/Lisboa. Leave the TP1 at the Boliqueima/Vilamoura exit and follow signs to Vilamoura.
- In Vilamoura, follow signs to the Marina and continue to a large traffic light island with a statue in the centre - The first exit takes you to all of the Vilamoura golf courses which are sign posted, but to find ondeck take the third exit (after a fairly long drive around the Island) which takes you to Tivoli Marinotel.
- On the right you will pass a small courtyard with a commercial area and soon you will reach a one way system - turn right here.
- After approximately 500m you will pass the Olympic Hotel on the left and soon after you will see the Marina.
